

Mission

A. Morton Thomas and Associates, Inc. is committed to excellence through partnering with our employees, clients, and community to provide quality and sustainable projects by utilizing the best engineering practices, scientific principles, and proven management solutions. Our mission is to remain a recognized leader by delivering high-quality, “green”, and cost-effective projects on time and within budget. We take great pride in our accomplishments and build on them every day.

Vision

AMT’s vision is to maintain growth and be the employer of choice in the A/E industry. We will continue to earn our clients’ respect through constant improvement driven by the integrity, teamwork, and innovation of AMT’s staff.

Core Values

In order to accomplish our mission and vision for the firm, we must enhance and expand the firm’s business through steadfastness to these values:

- Safety**– To provide a work environment that focuses on the safety and health of our employees, clients and surrounding communities.
- Respect**– To value the opinion, property, and diversity of others.
- Integrity**– To ensure our practice reflects the highest ethical and professional standards.
- Commitment**– To always provide training, mentoring, and growth opportunities to all staff.
- Quality**– To provide the same high quality of service to co-workers, clients, and all other project stakeholders.
- Teamwork**– To provide the highest quality of service and dedication to accomplish our clients’ goals through partnerships, teamwork, and open communication.
- Leadership**– To empower our leaders to gain a comfortable level with our clients and shareholders.
- Responsibility**– To lead in corporate social responsible practices and strategies.

Teaming Our Talents For Your Success
