

Our Mission defines our business. *Our Vision* is what we strive to achieve. *Our Values* drive our business.

Our Mission

As an employee-owned Engineering Consulting Firm, **A. Morton Thomas and Associates, Inc.** (AMT) is dedicated to achieving excellence and creating lasting partnerships with our clients and the communities we serve by delivering high-quality and sustainable projects that are innovative and cost-effective. Through our continued utilization of best practices, we will remain a growing industry leader that cultivates and promotes the talents and accomplishments of our valued staff.

Our Vision

To continually evolve by providing innovative infrastructure solutions and creating a work environment that challenges, motivates, and empowers our staff.

Our Core Values
