## A. Morton Thomas and Associates, Inc.

AMT is a 100% employee-owned firm providing multidisciplinary services including engineering, environmental sciences, landscape architecture, surveying, and construction administration and inspection on a regional basis to a variety of public and private clients. AMT has provided design and inspection services for more than \$20 billion of constructed highway, bridge, and infrastructure value in the past five years. With almost 500 employees in 23 offices in the eastern United States, AMT maintains its reputation by teaming with employees, clients, and communities to provide high-quality, sustainable projects.

### Purpose

Our goal is to empower our employees to identify and cultivate their unique strengths while collaborating on a company-wide scale to deliver the high-quality projects and results that AMT is known for. As an employee-owned firm, our work is a reflection of our team's passion and dedication as well as the priorities and interests of the clients and communities that we serve.

### Vision

To continually evolve by providing innovative infrastructure solutions and creating a work environment that challenges, motivates and empowers our staff.

### Mission

As an employee-owned Engineering Consulting Firm, A. Morton Thomas and Associates, Inc. (AMT) is dedicated to achieving excellence and creating lasting partnerships with our clients and the communities we serve by delivering high-quality and sustainable projects that are innovative and cost-effective.
